[0 : 00] As Paul mentioned, we'll be endeavouring to finish our series in 1 John, which we started I think in July.! So in the next three weeks hopefully we'll get to the end. The longest chunk will be tonight. I wasn't quite sure I'll be able to get a sermon on the whole thing, but we'll be done with this big chunk tonight and hopefully the next two weeks will come to the end of 1 John.

So please turn with me to 1 John chapter 4. You'll find it on page 1023 in the Church Bibles. 1 John chapter 4 and we'll be reading from verse 7 through to chapter 5 verse 4a. So halfway through verse 4 is where we'll stop.

John has just given them advice on discerning false teaching. They've had some false teachers in the Church and so now he's giving them advice on how to deal with new teaching and to discern whether it is true, good, godly teaching or not.

And now he's coming back to a theme that is already familiar in the book but unpacking it with more detail. So let's read from 1 John chapter 4 starting at verse 7.
